FEBRUARY 24, 2008
THIRD SUNDAY OF LENT

THIRSTING FOR LIFE-GIVING WATERS

Especially during the Lenten, Holy Week, and Easter seasons, the prayer texts of the Eastern Church revel in paradoxical images of Christ: the eternal life who is put to death, the host of the supper who is also its meal, the thirsty crucified one with living water streaming from his side. These images flow from the evangelists' portrayals of Jesus and from his very ministry, during which he often upset or reversed people's expectations about him, or the ways of God. This "reversal" is at play in today's Gospel, as Jesus speaks to an enemy foreigner who is also a woman beneath his status. In addition he, the thirsting one, shows the woman to be the one truly thirsting. He - whose parched lips will say "I thirst" before he dies - is the source of life and life-giving water. Lent calls upon us to dwell on how each of us is thirsting for Christ, and it leads us, ultimately, back to the life-giving waters of our baptism into his Body.

2008 ANNUAL CATHOLIC FAITH

APPEAL: TOGETHER IN CHRIST - During February we conduct the Annual Bishop's Appeal. The annual operating support helps fund our diocesan high schools and the many diocesan educational programs in which our parish family benefits. **Our parish assessment for this year is \$379,000.00.** We must always remember "Give of yourself because all that you have and all that you are comes from the Lord." **(By giving to the Annual Catholic Appeal appreciated stock instead of cash, you can deduct the gift to avoid paying taxes on the gain.)**

When Jesus asked the Samaritan woman for a drink of water, He opened the door for a life changing relationship with Him. Scripture says her testimony drew many others to Him as well. We, too, must be ready to respond whenever and wherever the Lord speaks to us and be prepared for it to change our lives!
